

## DEVELOP A PYTHON SCRIPT

Team ID : PNT2022TMID41886

The image shows two windows from the Python IDLE environment. The top window, titled 'Sum.py - C:\Users\logha\Documents\Python\Sum.py (3.10.8)', contains a Python script that prompts the user for two numbers and calculates their sum. The bottom window, titled 'IDLE Shell 3.10.8', shows the execution of the script. It displays the Python version and architecture, followed by the execution of a 'Hello world' print statement. Then, it shows the execution of the 'Sum.py' script, which prompts for two numbers (5 and 10) and outputs the sum (15).
